COMMENTS:

This bill would require state agencies collecting demographic data to provide respondents options to select one or more ethnic or racial designations.

The May 8, 2007, amendments made a non-substantive technical change relating to a local agency that submits ethnic data to a state agency that does not impact the department's operations, programs, or costs. The remainder of the department's analysis of the bill as introduced December, 4, 2006, still applies.
